or 100,000 km

BOLD BY NATURE

The Starlet brings everything you would expect from a compact hatchback: an ideal size to drive everywhere with agility.

Enjoy the full Toyota experience with its comfortable cabin and advanced technologies that will delight your journey.

The Starlet is your best ally in the city.

AUDACIOUS

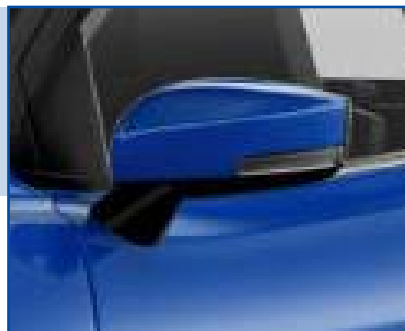

Dynamic & Powerful

Feel the energy and sportiness that comes from its sleek and fluid lines.

Its wide and low silhouette offers more stability at high speed with good ground clearance. With a turning radius of 4.9 m enjoy the agile turns even in congested places.

The Starlet is Easy to drive.

Increase safety with the dynamically designed outside rearview mirrors with integrated indicators.

Reinforce the refreshing style with headlamps that give a deeper look and more visibility.

The boldness of the design is enhanced with the chrome front grill.

PREMIUM CABIN COMFORT

Enjoy the elegant upholstery and the clean lines of the dashboard that give the interior a classy look.

With the adjustable steering and the 190 mm front legroom, find the perfect driving position for your journey.

Creating surprise with the dual tone colours with soft touch materials that enhance the trendy interior design.

The Starlet is Elegant and Comfortable.

Advanced dashboard. Clear and crisp vehicle information.

Armrest. You can store items as well as rest your arm while driving.

Steering wheel control. Access the audio & calling functions while staying focused on the road.

SPACE BEYOND EXPECTATIONS

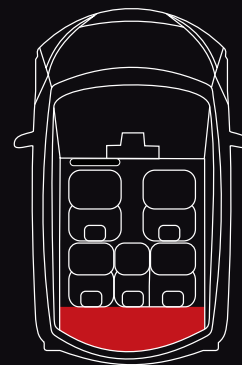

The Starlet has the answer for all the occasions you need to carry bulky items.

Its rear row of seats fold down in seconds with no effort, leaving plenty of room for a large load. It also offers a large and comfortable space for your passengers with back legroom of 200 mm.

Adapt the Starlet to your needs and enjoy its functionality with ease.

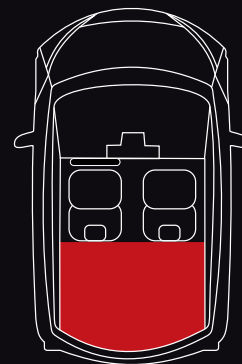

The Starlet is Spacious.

POWERFUL

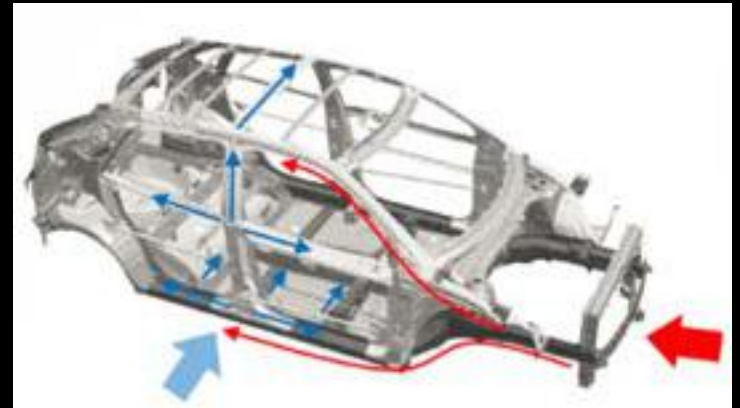

GREAT ENGINE

The 1.4L petrol engine (K14B) delivers both power and fuel efficiency. The intake VVT, cylinder head and piston crowns are designed to boost thermal efficiency and fuel economy.

Let yourself be seduced by its smooth and powerful torque.

The Starlet is Efficient.

Advanced **TECT** Body Structure

The **Total Effective Control Technology (TECT) Body Structure** is built using high steel for high rigidity which results in effective absorption and dispersion of crash energy. It offers enhanced safety for occupants without compromising on efficiency.

1.4L PETROL ENGINE (K14B)

5-speed manual or 4-speed automatic transmission

Torque	Power	Displacement
130 / 4200	92 / 68	1373
Nm/rpm	HP / kW	cm ³

Simple and Intuitive

Enjoy the full Toyota experience with all the latest technology at hand. For more modernity, the dashboard integrates a touchscreen which brings together the whole driver assistance system.

Use your phone's capabilities while concentrating on the road and stay safe with voice commands. Easily connect to and command your smartphone using infotainment controls.

The Starlet is Smart.

NEW AGE TECHNOL

OGY

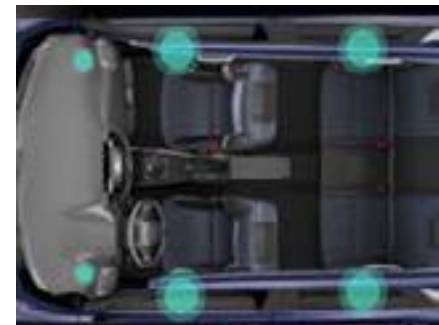

EFFORTLESS COMMUNICATION

The Multi Information Display. Stay aware of your environment with a single glance at the 4.2" LCD display that presents useful information such as the average fuel economy, clock, outside temperature and much more.

Reverse Camera. Enjoy the comfort of the reverse camera on the large 7" touchscreen supporting you to park more easily.

Speakers. Listen to your favourite music thanks to the 4 speakers and 2 tweeters.

MODERN & SECURE

Press the START button, adjust the cabin temperature and set off in complete freedom.

Enjoy the ride like you have rarely experienced thanks to all the exciting technology.

The Starlet is Modern.

Voice control. Control different functions of your Starlet using voice command for a safer drive.

USB & AUX connectivity. Connect your mobile phone to enjoy your media or easily charge your devices while on the go.

Keyless entry. A wireless key system that doesn't require key operation to unlock/lock your Starlet for more safety.

Air conditioning. Automatically adjusts the temperature to maximize the cabin comfort.

Airbags. Ensure your safety with airbags to minimize the risk of injury.

Start and Stop. A premium feature for starting the car with the push of a button.

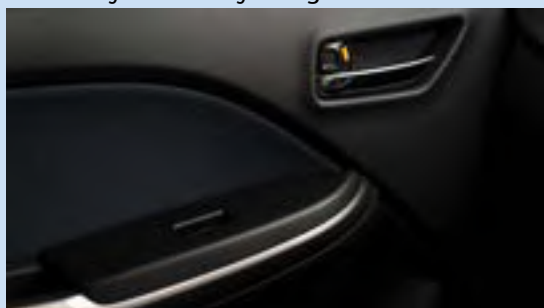

LED headlamps. LED's provide excellent distribution of light, contributing to good visibility and safety at night.

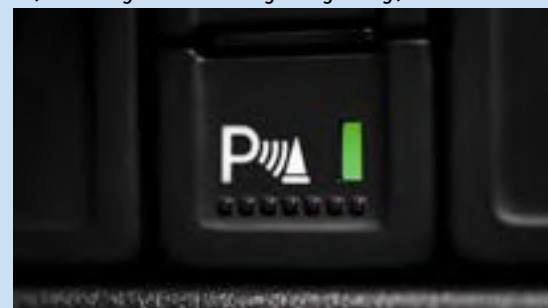

Apple Car Play or Android auto. Enjoy navigation features through your phone (country availability may vary).

Cruise control. Maintain the speed for more safety and stay focus on the environment on long journeys.

Electric windows. Open your front and back windows with a single click for more comfort.

Rear parking sensors. Avoid bumps and scrapes when parking.

*Disclaimer: Toyota reserves the right to alter any details of specifications and equipment without prior notice. Details of specifications and equipment are also subject to change to suit local country conditions and requirements. Please inquire with your local dealership for details of such changes.

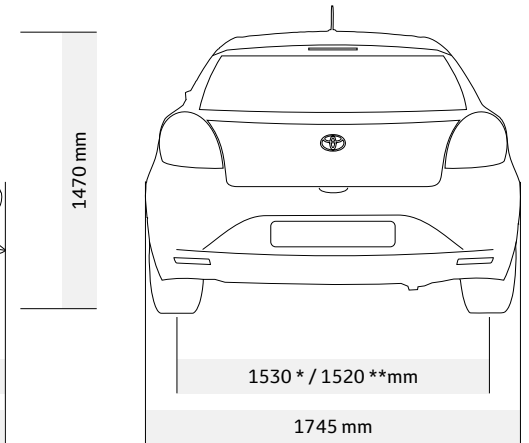

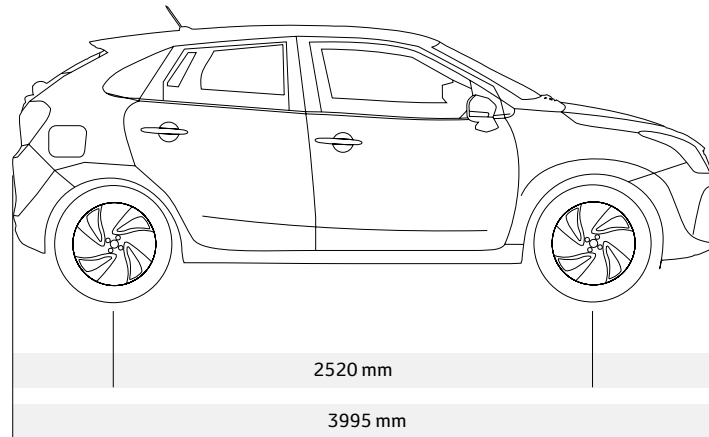

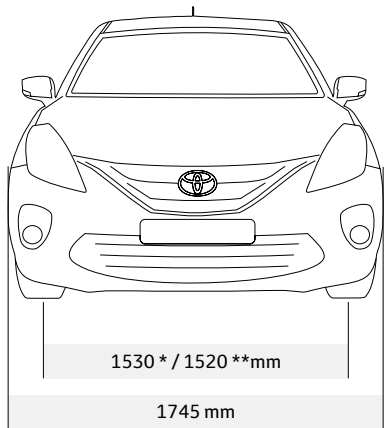

Turning circle radius of 4.9m offers ease of taking turns even in congested places.

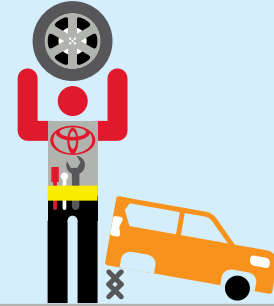

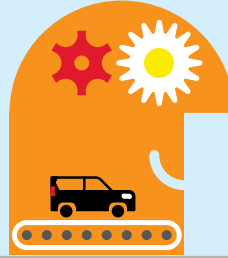

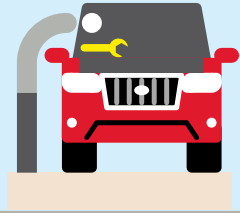

5 speed Manual transmission. Easy gear shift and quick acceleration gives a fun-to-drive experience.

CVT transmission. Enhances the driving convenience with clutchless drive, especially for driving in city traffic.

COMPLETE PEACE OF MIND WITH TOYOTA.

Toyota Quality Service

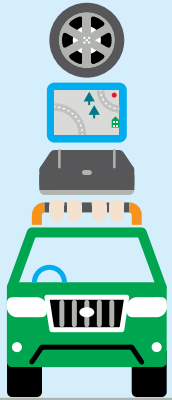

Your Toyota dealership will advise you on your vehicle's service requirements. It will need a health and safety check at least once a year. An intermediate check is necessary every year or 7,500 km.

Toyota Low Maintenance Costs

All Toyota vehicles are designed and engineered to minimize your maintenance costs. This includes fewer parts that require servicing and, equally important, is that Toyota vehicle technology is made easily accessible so that maintenance labor time is less and pricing is competitive.

Toyota Genuine Parts

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle. If the vehicle is damaged, its design helps minimize the cost of repair because the most expensive-to-replace parts are deliberately located away from common damage zones. The result is ultimately less expense for parts and labor.

Toyota Accessories

Toyota genuine accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Adding a touch of style, comfort, convenience and practicality, they are tested for exceptional durability to enhance the enjoyment of your new vehicle. All accessories are covered by a 1-year warranty.

Toyota Comprehensive Warranty

Every new Toyota comes with a 3 years or 100,000 km vehicle warranty, which covers any defect caused by a manufacturing fault. Transport to the nearest authorized Toyota repairer will also be covered*. In addition, a 3 years or 100,000 km paint warranty protects against defects and surface rust caused by a

manufacturing fault (except load bin's which are covered for 1 year). Every Toyota commercial vehicle is covered by a 3 years with unlimited mileage corrosion-perforation warranty* against corrosion of body panels caused by a manufacturing fault in materials or workmanship.

Toyota Added Security

Toyota's comprehensive security system withstands the insurance industry's rigorous five-minute attack test. The alarm system and engine immobilizer are approved by major insurance companies.

*Check with your dealership for specific warranty details.
